LETTER FROM MICHIGAN.

EDITOU INTRILIGENCER - Perhaps some ac count of my trip through the fruit lands of th she hang berself. Her body was not found an- northwest will interest your readers. I left Lexington on Monday, and went to Sedalia; saw 'Mac " at the Eagle office, took a look at the September 16, 17, 18, 19, 23 and 21. town, and left on the evening train for Boonville. The next day I took a drive of twelve miles south of that city through a beautiful country, \$20,000 PREMIUMS similar to that south of Weilington. The corn crop of that section is not good, owing to the drought. The wheat crop is about like ours. The people of Boonville are very much like those of Lexington, in their ways and methods of doing things. In one thing, however they excel us, and that is in the number of fine, fat, handsome and that is in the number of fine, fat, handsome
